### The application data used for applying to ISIC is processed as followed:

- Purpose of data processing/advertising counterclaim right**

The data collected will only be used to process the ISIC application and to contact you in the framework of the contract. Use of the data for marketing purposes is done only after the consent of the applicant. You can withdraw your consent at any time. Our contact details can be found in the imprint on <https://www.isic.de/home-en/> .
- Data Transfer**

To fully ensure the functionality of the card, the data is sent to the ISIC Association (the official publisher of ISIC) in the Netherlands. The transfer of data is relevant for activating the card number, for using offers that are accessible online, as well as the use of the ISIC App and the virtual ISIC. In addition, a directional and reserved transfer of data is sent to IT service providers only as part of a contractually agreed order data processing according to § 11 Federal Data Protection Act or Art. 28 EU Data Protection Regulation.
- Data Storage**

All data is processed on servers of the European Union or the EEA states.
